### DRAWING FOR PRESENTATION

An application-specific drawing is requested and **order will be scheduled immediately for production.**

*Please note that these units are shipped laying down.*

## ADDITIONAL INFORMATION

The product you are about to order will be carefully inspected at the factory to assure every component is correct and undamaged. It ships F.O.B. Missouri, meaning it becomes the property of the receiver upon leaving our factory. Therefore it is incumbent on you, the receiver, to carefully inspect the package to assure it has been delivered in good order and is undamaged.

Prior to signing for the shipment, inspect the package carefully.

**VISIBLE DAMAGE:** You must note any visible damage on the freight bill. If product damage is obvious, we recommend a further immediate inspection to see what other damage may be concealed, and this also must be written on the freight bill.

**CONCEALED DAMAGE:** If no damage was immediately evident, but is found later (within 48 hours), stop what you are doing and call the freight company immediately to report concealed damage.

Pictures of the damage are great support in any freight claim and are strongly recommended. Failure to take these steps may preclude your ability to be reimbursed for any damage in transit. We have personnel available to assist with this process Monday – Friday, 7:30am – 5:00pm EST by calling 800-922--3659.

On all VPL orders Harmar will only warranty and support the Honeywell EMI part no. CDILBS1W or CDIRBS1W.

Thank you for your business!

I have read and understand the above:

*AmeriGlide Vertical Platform Lifts are designed to meet ANSI/ASME A18.1 Performance Safety Standards when properly equipped. While AmeriGlide Vertical Platform Lifts meet national standards, it is imperative to check State and Local code requirements before installing to ensure compliance. All State and Local compliance is the responsibility of the purchaser. Some states may require fees for site preparation and permits. AmeriGlide Vertical Platform Lifts should only be installed by a certified, professional AmeriGlide installer. If the Vertical Platform Lift is installed by any other means, the purchaser and installer assume responsibility for issues that may arise involving improper installation.*
